ED O'CLAIRE HONORED AT THE SRB'S CRAB FEED

The Holy Family activity room was buzzing, thanks to the help of Jennifer Hull, Fred and Steve Mercy, Brain Riel and his friend

Alyssia, Sonya Wheeler and Jesuit volunteers Sam, Chris, and Sophie. Everyone enjoyed eating the delicious crab and had a good time visiting with past alumni. There was not a “crabbie” person in sight!

The Foundation also took this opportunity to show its long overdue appreciation to Ed O'Claire or “Ed O,” as he was so affectionately called. Ed was one of the founding members of the

Sister Rebecca Berghoff Foundation. His calm manner and wise advice guided the Foundation in his role as Treasurer for sixteen years. He will be missed; but we extend our wishes to him and Margaret for a long and happy retirement.

Proceeds from this event went to Sister Rebecca's Tuition Assistance fund. This year we added a remarkable \$2,675.00 into the fund.

ALUMNI TEAM WINS THE ST. JOSEPH/MARQUETTE GOLF TOURNAMENT

This is the fourth season for this enjoyable event. For the second year in a row, the tournament winners are Brian Riel, Stephen Mercy, Anthony Wade, all MMS 1999, and Dusty Frontis from the Burrows Tractor/Yakima Theatres team.

Hey alumni, don't you think this team needs a little challenge for next springs event?

GRANDPARENTS DAY GROWS AND GROWS

Every year the Grandparents/Special Friends Day seems to expand more and more. The hard working grandparent's event team served around 300 grandparents/ special friends and students a continental breakfast. Mrs. Labberton, the drama teacher, had some of her students do a skit about what grandparents are really like. Mrs. Baisinger and Ms. Mourey's, band and strings students performed and did a fantastic job, but it was the pre-kindergarten students who stole the show with their adorable songs.
