Stay tuned to see what’s happening?

As we approach spring and all that comes with the season, i.e. tulips, daffodils green grass. We sometimes start to think of redoing, redecorating and rebuilding everything. That is what we are doing at St. Joseph/Marquette and St. Joseph parish. The Long Range planning committee has been meeting and been going over plans to do just that. So, stay tuned for some exciting news about what’s about to happen here on campus.
