the...“Continuance of

Catholic School.”

- GYM NEWS -

Something to think about..

Funds are being collected to
name the gym court in honor of
Mr. Hal Dodeward. Hal coached
Marquette High School Basket-
ball and baseball and then when
Marquette was consolidated to
Carroll High School, Hal went
on to coach there. In 1975 his
teams had 8 league champion-
ships and won the state in bas-
ketball and baseball.

FRANCES WARD

WSU nursing student Frances Ward twice named a Udall Scholar for Native American health sciences. Frances Ward wasn't expecting to win a prestigious Udall Foundation scholarship for Native American health sciences students last year, so was surprised and grateful when she did. She definitely wasn't expecting to win the scholarship a second time. Becoming one of a small group of students nationally who have been honored twice by the Morris K. Udall and Stewart L. Udall Foundation gives her confidence, says Ward, who'll be a senior in the Washington State University College of Nursing in the fall. Being recognized by the foundation's Native Health Care program "encourages me, because it shows me that my passion is important to others, tells me I'm on the right path and helps me solidify what I want," she said. Ward is a member of the Confederated Tribes and Bands of the Yakama Nation and learned of the scholarship through the Native American student center at WSU in Pullman.
